

Observational Profile Area

- Vocabulary

Suitable for Years 4-6

Suitable For

- Small Group
- 1:1 Session
- Class

Categorisation: Crosswords & Word Finds

Language Focus

These activities assist in the development of students' vocabulary knowledge. The meaning of new words is learned by comparing and

contrasting it with words already known.

Materials

- Ready made puzzles attached to this document
- Additional crossword puzzles can be generated using the free computer program "EclipseCrossword," and word finds can be made at: www.awesomeclipartforkids.com/worksheets/schoolwordsearch.html

Procedure

- Crosswords – the students have been given 3 words from which to identify a category name. The then write this word on their puzzle.
- Word find– the students have a category name, from which they brainstorm a number of items. They can then look for their words in the puzzle. The teacher may provide clues to guide students for words in which they have difficulty naming.
