Category Spinner game

Language Focus

These activities assist in the development of students' vocabulary knowledge. The meaning of new words is learned by comparing and

contrasting it with words already known.

Materials

- The spinning wheel attached to this document and a list of categories.

- Students take it in turns of spinning the dial. The number on the spinner indicates the number of words each student is required to generate for a particular category. (E.g. If they land on 6, they are required to name 6 items, and would receive one point per correct item. If the student names only 4, they receive 4 points. The first player to 20 is deemed the winner.
